What is

Medical Coding ?

Medical coding is the process of translating healthcare diagnoses, procedures, medical services, and equipment into standardized codes. These codes are used for billing, insurance claims, and maintaining patient records. Medical coders analyse patient records and assign the appropriate codes, ensuring accurate billing and compliance with healthcare regulations.

Courses Offered

Basic Medical Coding Training - **BMCT**

1 Month

Weekdays : 2 Hrs per Day

Bachelors or Masters in:

- Physiotherapy
- Nursing / DGNM
- Pharmacy
- Other Paramedical & Allied Health Science Graduates etc.,

LIFE SCIENCE DEGREES:

Bachelors or Masters in:

- Microbiology,
- Biochemistry,
- Biotechnology,
- Botany,
- Zoology,
- Advanced Zoology,
- MLT,
- Anatomy,
- Physiology,
- Nutrition and Dietician,
- Bio- Informatics,
- Endocrinology, etc.,

ENGINEERING :

B. E, B.Tech, M.E, M.Tech: Biotechnology, Bio- medical, Bio- Informatics, etc.,

About Us

Are you a student, job seeker, or beginner looking to break into healthcare?

Our center provides specialized job placement assistance and comprehensive medical coding training. We focus on building your quality, competency, industry expertise, and confidence. Our strong industry connections with top recruiters have led to successful placements in medical coding for our talented individuals.

OUR VISION

To be the leading provider of advanced healthcare education and training, shaping the next generation of industry leaders.

OUR MISSION

Empowering professionals through exceptional learning, fostering skills, confidence, and collaboration for a brighter future.

Why OMS Healthcare?

- ✓ ISO & IAF accredited center with 10+ years experienced, CPC certified trainers.
- ✓ Comprehensive training addressing real-time coding challenges, backed by partnerships with top healthcare MNCs.
- ✓ 100% placement guidance in leading MNCs, with an OMS Healthcare certificate valid nationwide.
- ✓ Free study materials, an exclusive mock exam center for AAPC practice, mock interview & soft skills training for successful career.
